

Subtravelling XIII

International short film fest | Bcn-Seoul

13th edition - 2022

As in previous years, the films can be about anything, as long as they are set somewhere in the TMB transport network.

They must be no more than 3 minutes and 30 seconds long, including credits.

TMB filming and transport regulations

- All Covid-19 prevention measures must be respected depending on the regulations in force at the time of filming.
-
- The film crew (including technical and artistic crew) must not consist of more than 4 people.
- Their details must be duly entered on the filming application form.
- Tickets must be validated to access any part of the TMB transport network.
- All crew members, including the director, must be registered with JoTMBé. For runner-up or winning films, TMB will always contact the person who uploaded them.
- Filming permits are not required to shoot at bus stops, Barcelona Bus Turístic stops or outside metro stations.
- **You will need to apply for a permit if you wish to shoot your film in any of the following places:**
 - **Metro facilities and interiors**
 - **Bus interiors**
 - **Barcelona Bus Turístic interiors**
 - **Montjuïc cable car facilities or interiors**
 - **Montjuïc funicular railway station or interior**

Roda TMB

1. **Regulations for all facilities**
2. **Opening times**
3. **General rules for the Barcelona Bus Turístic service**
4. **Filming regulations for the Montjuïc cable car**

1. **In all metro, bus, Montjuïc funicular railway, Barcelona Bus Turístic and Montjuïc cable car facilities and interiors:**

- You will need to apply for a filming permit **72 calendar hours in advance, counting from the moment the form is correctly completed with all the information.**
- Anyone appearing in your short film must be made aware of the use of their image.
- Any image taken of a transport user without consent, thereby infringing their rights, and which is subsequently reported may lead to the short film's disqualification,

without any liability on TMB's part.

- Film crews (including the technical and artistic crew and actors) must not consist of more than four people.
- No spotlights or sound booms are allowed. Neither are any other tools that may get in users' way.
- You are not allowed to film simulated scenes of a crime or other banned activities, such as a mugging, a fight or someone begging or busking inside a train, in a lobby or on a platform.
- You can check the Subtravelling website's query form to verify that any scenes you wish to shoot for the short film will be accepted.
- You are not allowed to disturb transport users, whether on platforms, in lobbies, in lifts, at bus stops or inside trains and buses.
- You must produce your permit whenever TMB staff so require.

Opening times

Bus, Montjuïc funicular railway or Montjuïc cable car

- You can shoot your film on a bus, Barcelona Bus Turístic and Montjuïc cable car any day of the week.
- You may be refused permission by the operator of any of these transport systems where an event is being held, a large number of passengers is expected or an unexpected incident occurs.

Metro

- You can film on the **L9 Sud, L9 Nord, L10 SUD, L10 Nord and L11** automated lines and at stations with relatively few passengers on all other lines any day and at any time.
- Any situation or event that the metro operator deems problematic for filming at the station in question may result in the refusal or postponement of your permission for filming.
- **Filming is not allowed during peak hours, that is, from 8 am to 10 am and from 5 pm to 7 pm, at the following stations. Exceptions may granted where the metro operator deems fit.**
